F&M MobileBiz! is Secure

No personal information is saved on your mobile device; and the highest level of security is delivered thanks to multiple layers of access authentication. **Important: Securely maintain and do not share your Business Online Banking Security data and/or your F&M MobileBiz! Passcode.**

To Use the F&M MobileBiz! app You Need:

An active Business Online Banking Account and a smartphone or tablet with: Apple iOS.9.0 (or greater) or Android with 4.1 (or greater)

Best Practice: Before downloading our F&M MobileBiz! app, login to your Business Online Banking Account. Doing so confirms your Business Online password is correct and enables you to review and reset (if needed) your 3 Security Challenge Questions.

- > If you are not able to login, select the **"Forgot Password"** link to **reset your password** or **contact us** for assistance (contact information at the bottom of this page).
- > To review your 3 Security Challenge Questions, select "Account Services" then select "Change Security Data".

To Get Started Using F&M MobileBiz!:

1. Search for and Download the **"F&M MobileBiz!"** app from the applicable app store.
2. Once you read and accept the **F&M MobileBiz!** Terms, you will be ready to setup and use **F&M MobileBiz!**.
3. The first time you open the app, you will login using your Business Online Banking User ID and Password; and will also be required to correctly answer one or two of your security challenge questions. Once done, you will be asked to enter and confirm a 4-digit **F&M MobileBiz!** Passcode.
4. It may take 10 - 15 minutes for your security data to link-up and report your Business Online Banking Account data to your **F&M MobileBiz!** app. Do not enter information or press additional keys until your phone's refresh function stops spinning.
5. Review and complete your **F&M MobileBiz!** User Profile so we can contact and assist you if needed.
